

23/09/2024

Dear Members,

Please note that further information has arisen which we have corroborated to confirm that Sean McGranaghan did provide some additional coaching classes at Sligo TC up until May 2023. We have doubled our efforts to individually contact all the families and/or players that were involved in these classes. If for any reason you have any further concern in this regard, please don't hesitate to contact the Club.

Yours Faithfully

Brian King

President Sligo Tennis Club
